

Blum Services, Inc.

Job Title: Carpenter

Reports To: Lead Carpenter and Production Manager

Primary Purpose of Job

Cut, shape, level, and fasten together pieces of wood and other construction materials, such as wallboard, plywood, and insulation.

Essential Duties and Responsibilities

- Pick up job materials from local vendors
- Load and unload materials
- Responsible for turning all receipts to supervisor or office manager
- Install temporary structures and supports
- Build scaffolds, chutes used as channels for wet concrete, and forms for concrete foundations.
- Put up frames and install rafters, joists, sub-flooring, wall sheathing, prefabricated wall panels and windows, and many other components.
- Install hardwood flooring, staircases, shelves, cabinets, trim on windows and doors, and other woodwork and hardware.
- Review blueprints or plans
- Using rulers, framing squares, chalk lines, and other measuring and marking equipment, lay out how work will be done.
- Using hand tools and power tools, cut and shape wood, plywood, fiberglass, plastic, or other materials.
- Nail, screw, glue, or staple pieces of various materials together.
- Use plumb bobs, rulers and squares to check work; make any necessary adjustments.
- Work with prefabricated units for components such as wall panels or stairs.
- Install ceiling tiles.
- Install exterior siding.
- Responsible for identifying exposure to fumes, odors, dangerous particles and irritating chemicals.
- Responsible for ensuring all employees have and are utilizing proper personal protective equipment prior to working in an area where they may be exposed to fumes, odors, dangerous particles and irritating chemicals.
- Maintain job-site cleanliness at all times.
- Assist supervisor with various business expositions and home shows
- Perform additional duties as assigned

Education and Experience

- High school diploma or GED required
- High school or secondary technical/shop classes in carpentry and woodworking preferred

Skills Required

- Applied mathematics
- Mechanical drawing
- Blueprint reading
- Ability to read and understand local building codes and regulations
- Must be physically fit
